Supplies:

Candles

Blackberry Designs Self Adhesive Mylar

Staz-on Solvent based ink pad

Make-up sponge

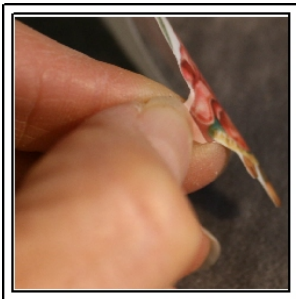

Scissors

Stamps

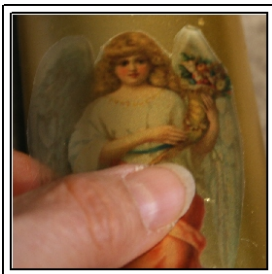

Step 1

Cut mylar images with small scissors.

Step 2

Peel image from backing, by turning one corner down with fingernail.

Step 3

Stick image to candle, smooth out with fingers

Step 4 Use Staz on ink pad in brown, sponge ink onto makeup pad and pounce the pad onto the candle, make sure to go over the images to blend.

Step 5

Once your candle is dry, apply ink to stamp, roll stamp over candle.

Tips & Tricks

When cutting your images, hold your scissors still and turn your paper. You can layer the inks in different colors, just make sure to use solvent based inks, Staz-on is a good brand.
